

Flaman Fitness Acquires Guideline Fitness and Children with Special Needs Benefit

Pictured from left to right: Daniel Ancil (SSF&CS Program Manager), Richard Templin (General Manager for BC, Flaman Fitness), Christine Mohr (OPTIONS Executive Director) and Roland Cerf (Manager for the Lower Mainland, Flaman Fitness).

Flaman Fitness founded in 1959 has recently acquired 4 fitness equipment stores in Langley, Abbotsford, Richmond and Westbank BC. Along with their great reputation for quality fitness equipment, these communities stand to benefit due to Flaman fitness commitment to give back to the community.

Recently Richard Templin, General Manager for B.C. and Roland Cerf, Manager for the Lower Mainland stores donated \$10,000 through its affiliate foundation, the Frank Flaman Foundation to help Special Services to Children, a Program of OPTIONS: Services To Communities Society. This program teaches life, social and communication skills to children with physical and developmental disabilities.

The Frank Flaman Foundation was created to assist existing charitable organizations provide their valuable services to the community. The projects are funded by Frank's share of the company profits and private donations. For many years, Frank Flaman has helped with countless charities and organizations throughout the world.
