

# Caring Dads Group in English

A specialized group counselling to fathers who have used abusive behaviors with their families in the past and who now want to improve their relationships. Throughout 17 weekly group sessions, fathers can:

- gain awareness of the impact of relationship violence on children
- know their children's appropriate development stages
- rebuild healthier relationships with their children and children's mother
- learn about problem solving in difficult situations & managing frustration and anger

**COVID-19 WorkSafe BC  
Guidelines will be implemented  
in the group**

Charitable Registration # 811786227 RR0001
