Options Community Services is a non-profit registered charity providing social services primarily in Surrey, Delta, White Rock and Langley. We believe in helping people help themselves. We believe in collaborating with individuals, businesses, community groups and government to create focused, effective and responsive resources for the community.

Hyland House is a safe emergency shelter, available to people (19+ years old) who are currently homeless or at-risk of becoming homeless. The shelter provides support and assistance with improving life skills, finding employment, housing, managing your home, integrating into the community and budgeting.

The Shelter Worker will provide temporary, emergency care; plan and implement strategies allowing residents to obtain the skills necessary in securing accommodation and maintain independence. They will interact with residents in a positive and supportive manner and work collaboratively with them in attaining designated goals.

ACCOUNTABILITIES

- Provide a safe home which includes securing the premises, maintaining the property to ensure safety (including minor repairs), ensuring that unsafe actions by residents are responded to, and ensuring staff's safety. This entails: basic maintenance (i.e. installing safety devices); intervening and managing conflict between residents.
- Take referrals on a 24 hour basis and do extensions of stay when needed. Data/information entry, electronic and written, into resident files and logs. Intake and orientation of residents referred to the Shelter Program.
- Responsible for the care and safety of residents in the Shelter, as well as the premises itself. Establish clear, simple and consistent limits for the residents. Encourage and facilitate the participation of residents to create a safe, positive atmosphere.
- Maintain awareness of any issues experienced by the residents and inform the supervisor. Supervise basic life skills chores or teach a resident how to complete them in a supportive manner. Encourage basic hygiene for all residents.
- Identify resident barriers and jointly with the resident, come up with a plan to deal with the issues presenting. Provide information and resources to the residents where appropriate, to deal with presenting issues/barriers. Is a positive role model at all times. Encourage appropriate behaviour in residents at all times.
