Counselling Services

Options Community Services Society

We are a non-profit registered charity providing social services primarily in Surrey, Delta, White Rock and Langley. We believe in helping people help themselves. We believe in collaborating with individuals, businesses, community groups and government to create focused, effective and responsive resources for the community.

We envision a healthy community as a safe and clean environment where we all have a sense of belonging. It is a place where each of us has the opportunity to work and learn, and to develop and realize goals that are meaningful and fulfilling.

The Counselling Services Program Manager supports Options Community Services Society's (OCS) strategic vision, planning and service delivery in accordance with the society's mission and goals established by the E-team and is responsible for overseeing the development and delivery of Counselling Programs, in accordance with legislation, regulations, contractual commitments, society policies and commonly accepted practice standards.

Responsibilities include supporting the overseeing of the day-to-day operations of Suicide Prevention Education and Counselling (SPEAC), Sexual Abuse Counselling (SAC) and Family Counselling to ensure that the mandate and goals of the Programs and OCS are met. The program manager is actively involved in the planning, development and implementation of effective and efficient services, and is a member of the leadership team.

HIGHLIGHTS OF KEY RESPONSIBILITIES

- Shares the day-to-day operation, with the Senior Manager of the Sexual Abuse Counselling, Family Counselling and Suicide Prevention, Education and Counselling programs and ensure the effective and efficient delivery of programs and services within OCS policies and procedures, relevant legislation, and accreditation and professional standards.
- Develops, implements, monitors and evaluates all facets of the programs in order to ensure that client needs are met and that contractual obligations to the Ministry for Children and Family Development and other funders are fulfilled.
- Supervises, develops and motivates program staff to attain program objectives and to contribute fully to realizing the Society's mission, vision, goals and objectives.
- Provides regular scheduled individual and group supervision to program staff. Maintains documentation of meetings. Supervision ensures monitoring and maintenance of program staff needs and supports are in place in order to properly meet client needs. This also includes recruitment and oversight of any external clinical consultant contracts to ensure that they are facilitating the fulfillment of the contractual expectations for clinical support as outlined in the contract with the funder.
- Manages the development, revision, implementation, and evaluation of new and existing programs to ensure they are up-to-date, innovative, and meet emerging client needs.
- Responsible for oversight of people management throughout all programs, including: workforce planning, recruitment, retention, orientation, coaching, training, development, and performance management.

NOTE: Applicants not selected for an interview will not necessarily be notified.
