

We're Hiring!

SEXUAL ABUSE THERAPIST

Posting Requisition	22202	Program	<i>Counselling services</i>
Job Type	<i>Regular, Part-time</i>	Location	<i>Surrey, BC</i>
Hours of work	<i>22 hours per week</i>	Closing Date	<i>January 30, 2023</i>

Options Community Services is a non-profit registered charity providing social services primarily in Surrey, Delta, White Rock and Langley. We believe in helping people help themselves. We believe in collaborating with individuals, businesses, community groups and government to create focused, effective and responsive resources for the community.

Sexual Abuse Counselling Centre (SACC) provides both short and long-term counselling to children and youth (ages 3-18) from Surrey and White Rock who have disclosed sexual abuse or where sexual abuse is suspected. We also offer support and psycho-educational information to non-offending family members in relationship to the effects of sexual abuse.

The Sexual Abuse Therapist will provide clinical assessment and treatment in a range of modalities to sexually abused children and youth, and their non-offending family members. This position requires union membership. Compensation is in accordance with Appendix A of the BCGEU Collective Agreement. (Grid level 16-P of the Paraprofessional wage grid)

ACCOUNTABILITIES

- Therapist interviews clients to gather comprehensive case history. Assesses profound social, psychological, emotional and/or behavioural issues affecting clients. Identifies core areas of concern to be addressed in counselling.
- Develops and implements therapeutic service plans and programs necessary to meet client goals and objectives.
- Provides individual, and/or family counselling to clients, in accordance with an established service plan which has been created in collaboration with the employee, the client (and - when appropriate - an external third party).
- Provides individual and group counselling implementing intervention strategies consistent with client information and goals. Working in collaboration with client to establish goals that are relevant, clear and concrete. Organizing, recognizing, and relaying appropriately the implications of case material.
- Appropriately administering assessments to determine client concerns, problems and case outcomes. Specifying case outcomes early and concretely.
- Therapist continuously identifies, assesses and monitors client's needs in conjunction with caregivers and/or other service providers.
- Therapeutically facilitate closure/transition of cases, including discharge planning.
- Provides follow-up support to clients after the end of therapy treatment. Monitors and evaluates clients' functioning and interaction with family and social supports in the community. Advises other professionals involved with the client's case where further evaluation and more intensive treatment is required.
- Provides reports on clients' behaviour and progress. Maintains clinical records indicating the nature and duration of treatment.
- Provides consultation to those working with client cases i.e. social workers, HEAL Clinic, School District personnel, RCMP, other organization staff, and other professionals.
- Performs other duties, as assigned.

We are an equal opportunity employer committed to hiring a diverse workforce
