Options Community Services is a non-profit registered charity providing social services primarily in Surrey, Delta, White Rock and Langley. We believe in helping people help themselves. We believe in collaborating with individuals, businesses, community groups and government to create focused, effective and responsive resources for the community.

Home Based Addictions Support and Detox program aims to reduce the burden of severe substance abuse, in particular a reduction in mortality due to overdose events in patient's own homes, increase engagement and retention in treatment and connection with community resources to facilitate ongoing remission. This program supports clients and their family to manage their symptoms of withdrawal in the comfort and support of their own home environment in a safe manner in consultation with family physicians and other clinical support. This goal of the program is to ensure greater accessibility and awareness through culturally competent and language specific service delivery for the individual and their family.

The Outreach worker for Home Based Addiction Support and Detox program will be responsible for providing culturally agile services that focus on addressing addiction issues, promoting overall health and emotional well-being, and connecting clients to additional resources such as counsellors and nurses. This position will work closely with clients and their family members to develop and implement personalized support plans, and will be responsible for maintaining accurate records and reporting progress to Program Managers.

### **ACCOUNTABILITIES**

- Teach clients, families and/or significant others a variety of coping mechanisms and strategies focusing on a healthy lifestyle including self-care, breathing techniques, and healthy eating.
- Assist in evaluating the effectiveness of treatment programs by tracking clients' behavioural changes and responses to interventions.
- Meet with clients to assess their progress, give emotional support and discuss any difficulties or problems.
